

Parish Councillor Vacancies

Residents are invited to become a parish councillor. If you are interested in helping to keep a watchful eye over the parish with the idea of looking to improve the working and living conditions in the parish, you are the ideal candidate. No experience needed only bags of enthusiasm and patience. You would be working with a great team of people. There are numerous organisations available to show you the ropes and provide you with information and back up, as well as the parish clerk. It is a voluntary position and most councillors' costs can be refunded. Taking on projects is not essential as your views on how to make things better for all residents are just as important. You only have to be over 18, hold/be able to hold a UK passport (including Ireland) and have lived or worked in the parish for at least 12 months.

Speak to any councillor or the clerk for more information. Those who wish to be considered for the role should put that in writing to the Clerk (enquiries.apc@gmail.com) by the 31st May 2022.
